## SIZING OPTIONS

be! Wall is available in one size.

## OVERVIEW

The simple and elegant be! Wall glassboard puts your best ideas on display. The cleanly designed be! Wall comes in one standard size with a selection of two core finishes and boasts magnetic glass, radiused corners, and added depth to prevent marker smudges and stains on your wall. The small acoustic panel is ideal for tacking up important items such as photos, notes, or fabric samples to enhance your most creative brainstorm sessions. Easily installed with the Clarus® TruMount™ system, the be! Wall can be hung horizontally or vertically, accommodating any modern-day work environment. With be! Wall, everyone can collaborate without breaking the bank.

## BE! FAMILY™

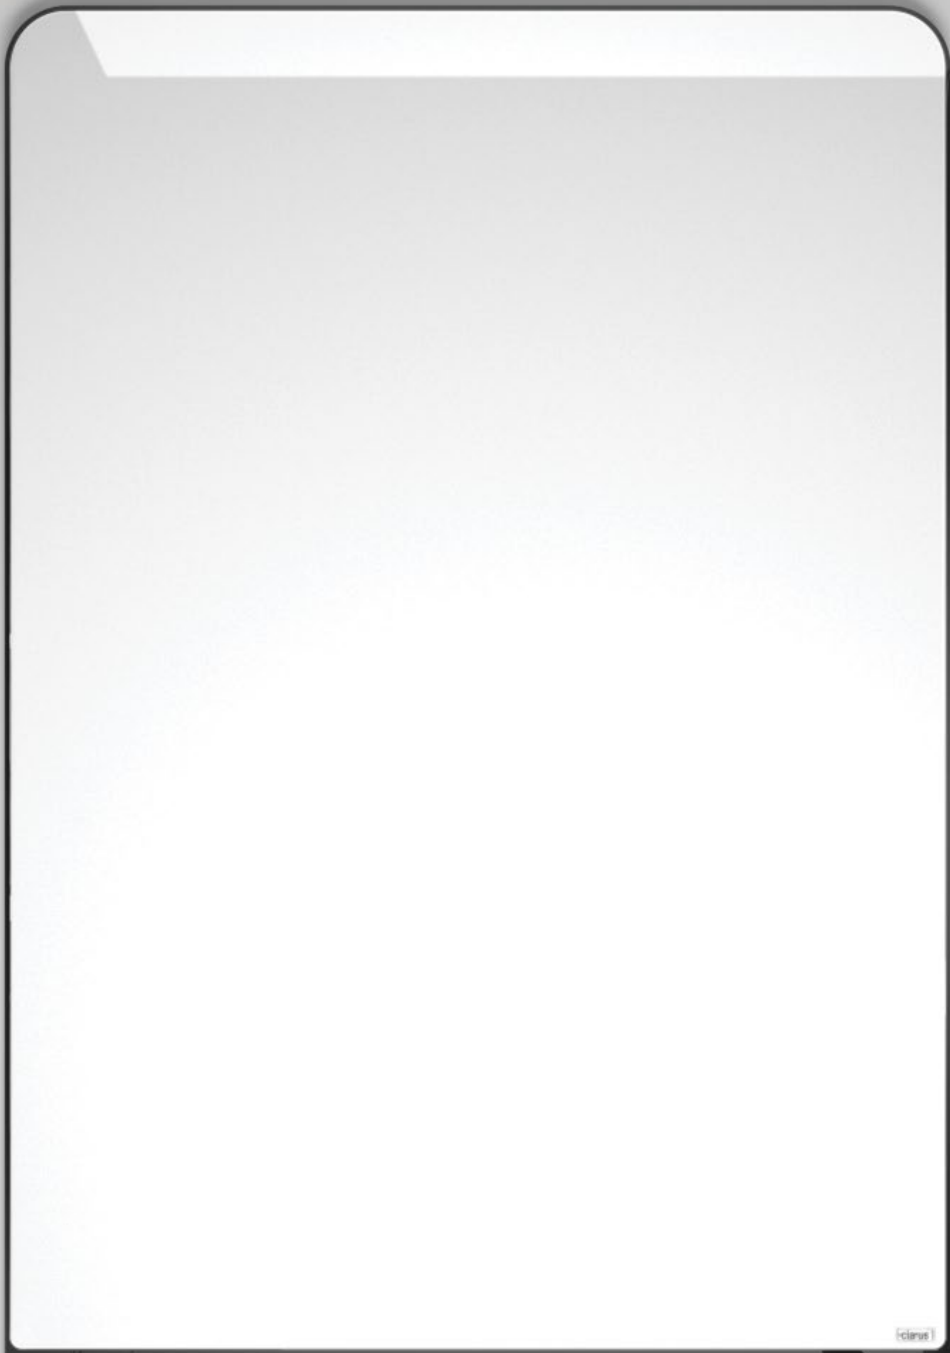

The newest member of the Clarus® be! Family—The companion wall board to the be! Mobile™ glassboard on wheels, be! Wall offers the same beautiful design features and quality materials, along with matching colors. Bundle them together and build out your workspace with these glassboard BFF's.
